### St Vincent de Paul Society

The St Vincent de Paul Society is a member and volunteer based organisation that has been assisting people experiencing disadvantage in NSW for more than 130 years.

The Society was founded by a 20 year old man named Frederic Ozanam in 1833, who with a group of friends, wanted to make a difference to the poverty and disadvantage that he saw around him in post-Revolution France. Leading by example and with boundless energy, Frederic started what is now a world-wide movement in just 20 short years. The St Vincent de Paul Society NSW has around 16,000 members and volunteers and 1,400 staff. Our local member networks, referred to as Conferences, are present in over 420 communities across NSW.

Our members and volunteers provide assistance to people experiencing disadvantage including food parcels and vouchers, financial assistance, assistance with energy bills and other debt, budget counselling and the provision of other material items such as furniture, clothing and bedding and any other household items. Importantly, our members also provide vital emotional support and referral services as needed.

The St Vincent de Paul Society is a leading provider of community support services and has close to 100 Special Works across the State in the areas of homelessness, mental health, disability, financial counselling, supported accommodation, food provision, refugees and migrants and addiction counselling.

Our work is funded by all levels of government, the generous support we receive from the community and our 250 Retail Centres across NSW.

## Organisational Overview

SVDP NSW Support Services provides support for people experiencing need in NSW. It is a Special Work of the St Vincent de Paul Society of NSW and is comprised of more than 40 different programs across the state. SVDP NSW Support Services provides programs across areas including drug and alcohol, gambling, homelessness, disability, mental health, community development and refugee support.

## Program Overview

The Continuing and Coordinated Care program sits within the broader St Vincent de Paul NSW Alcohol and Other Drug Specialist Network. AOD Network programs are committed to minimising the harm related to homelessness, drug and alcohol use, mental health, contact with the criminal justice system and other associated issues. AOD Network Programs are committed to providing genuine whole of person support and recovery.

The Continuing and Coordinated Care Program in particular is intended to provide enhanced Care Coordination to persons with high support needs who face barriers in accessing or remaining connected to services because of substance use disorder and/or experience difficulties accessing substance use treatment due to other co-occurring needs. The Program ensures that care for those with high level health and social needs is well coordinated between service agencies and that continuation of care from one agency to another is seamless and person centred.

The SVdP (NSW) provides Continuing and Coordinated Care under the NSW Health Continuing Coordinated Care Program in 7 NSW Regions, Central and Eastern Sydney, Hunter New England Central Coast, Western Sydney, South Western Sydney, Nepean Blue Mountains, South Eastern NSW and Murrumbidgee.
